Commissioner for Patents

Applicant's corrected response filed November 5, 2004 fails to comply with the requirements of paper number 20041025 mailed October 25, 2004. Applicant submitted a transmittal sheet and six sheets of corrected response numbered 1 through 6, and no where within the six sheets does applicant's response correct the error indicated in paper number 20041025.

Therefore, applicant is again notified of the error in compliance with 37 CFR 1.121 as stated in paper number 20041025, and applicant is again required to correct that same error.

Further, applicant is reminded of MPEP 714.03 which states in pertinend part:

"Likewise, once an inadvertent omission is brought to the attention of the applicant, the question of inadvertence no longer exists. Therefore, a second Office action giving another new (1 month) time period to supply the omission would not be appropriate under 37 CFR 1.135(c)."

Accordingly, NO NEW TIME PERIOD FOR RESPONSE IS SET IN THIS ACTION.

Applicant must supply a corrected amendment document WITHIN THE TIME PERIOD SET FOR PAPER NUMBER 20041025, which began on OCTOBER 25, 2004, and ANY NECESSARY EXTENSIONS OF TIME MUST BE CALCULATED FROM OCTOBER 25, 2004.

PRIMARY EXAMINER
